BBCC - Budbrooke Community Centre	CIL - Community Infrastructure Levy
DPI—Disclosable Pecuniary Interests	FB - Facebook

These are unconfirmed minutes. Confirmed minutes are available on the website shortly after the following meeting.

Present: Cllr Mike Dutton (Chair), Cllrs: Andy Thomas, Rhonda Treacy-Hales, Maggie Treacy-Hales, Michelle Nutt, Ian McCloskey, and 8 members of the public

Apologies: Cllrs: Jan Matecki (WCC & WDC), Peter Phillips (WDC)

1. Welcome & Opening
The Chair welcomed all present and thanked them for attending the three meetings tonight I.e. the APM the AGM and then the usual Council meeting.
Minutes of all three meetings would be available in the Parish Newsletter and on the parish website.

2. Council Plans for:
The Chair referred all to a 2022 document entitled Budbrooke Parish Council's Plan 2022-2027 that had been circulated to all residents at the time, that shows plans and costs. Paper copies were made available.

2.1 Budbrooke Community Centre
The Chair noted that the parish council is the trustee for the parish of the Community Centre that has a separate committee and is a charity that operates the CC on behalf of the council and residents. This committee performs an excellent job including having recently redone the room that this meeting was being held in.

Cllr R Treacy-Hales clarified that the CC committee had last year managed the replacement of the roof on this room as well as the installation of new lighting and a new ceiling. Cllr R Treacy-Hales confirmed that there would be further work on / in this room along with new flooring, a kitchen and windows. The CC building had evolved to suit the needs of residents over time.

A resident noted water saturation alongside of their properties adjacent to Montgomery Park. The Chair confirmed that it would be fine to discuss the concerns of the resident but that it may not be a matter for the PC and if so, the PC was happy to assist the resident to point them in the right direction. This matter was however postponed and discussed as shown at 1.1 in the minutes to the ordinary council meeting this evening.

2.2 Children's Play Areas (Styles Close and Montgomery Avenue) and an Outdoor Gym in Styles Close

Cllr Nutt noted that when she had taken on the task of install play area equipment, she had soon realised the need to include both the playgrounds themselves i.e. Styles Close and Montgomery Avenue as well as consider maintenance.
The proposals for gym equipment were shown on the picture boards on display at the meeting. Feedback received previously covered a number of issues that included a path around the perimeter for walking and jogging, a skate park section, possibly reducing the football pitch, re-wilding schemes, provision for basketball and a picnic area. Proposals will be discussed with suppliers as part of the next steps to work with Caroline Edwards to convene workshops to invite residents to where they could indicate their priorities on the various options that had been suggested. These might include an adult group, a youth group and perhaps a school group to cover the needs of younger residents. Cllr R Treacy-Hales offered to refer the latter group to the head of the primary school.
Action Cllr Nutt

Sadly, the list of suggestions exceeds any potential budget and so over the next two months, costings will be secured for feedback to residents and then for feedback to council for decisions. The Chair noted that spending was time limited and so may also restrict what is achievable. **Action Cllr Nutt**

3. Any Other Business

3.1 Footbridge over the A46
A relatively new resident to the parish enquired regarding ways to try to get across the A46 to go into Warwick town centre, by walk or by cycle. In response, it was noted that residents use the route along the path past Warwick Parkway and the canal that takes around 26 minutes to walk. A fellow resident of an attendee had mentioned three rights of way asking what had happened to these and who was responsible for them. It was reported that installing a footbridge over the A46 would be at a substantial cost of around £2M, as an alternative to the current gaps in centre of the A46 where there has been a refusal to install

signs on the A46 to warn motorists of pedestrians crossing. The resident thought that it was strange that nobody is “fighting our corner” and asked if it was safe to cycle past the Parkway towards / into Warwick, It was felt that this was a safe route. The resident had found the council minutes very useful and informative but noted that the matter of this footbridge was only mentioned once in two years. The resident referred again to the same fellow neighbour mentioned above, who had apparently asked a number of questions hereon. The attending resident believed that there were detrimental effects of the 400 recently built houses in Hampton Magna that he thought included deterring walking or cycling into Warwick.
The Chair confirmed that there was a path to walk and cycle on already and he noted that public highways are the responsibility of the County Council. There had been work on the costings of a walkway across to the Henley Road and that the Parish Council can assist when asked to do so by residents.
An accompanying resident asked who does the lobbying on these types of matters and the Chair reaffirmed the assistance that the Parish Council can provide. The resident asked if anybody had performed a survey and it was repeated that such was a County Council / Highways matter.

3.2 Funding from Developers
The resident then made a request for information about the funding from the developers to assist the community. The resident believed that one of the two developers had apparently reduced their amount of funding and wondered if it can be determined which developer had reduced theirs and by how much. It was believed that contributions were negotiated with the district council and that it may have been Miller Homes. The resident said that they would like to hear back on this reduced funding as the resident believed that this developer was reneging on their commitment.
The Chair concluded that the contributions from the developers to the Parish Council would not be sufficient to consider a bridge that would take years to plan and construct i.e. longer than the time restriction to spend the parish funding. However, the council will seek information to assist the residents.
Clerk to action

BUDBROOKE PARISH COUNCIL
MINUTES OF the AGM MEETING
Wednesday 8 May 2024 at 20h00 that followed the APM in the Budbrooke Community Centre

Present: Cllr Mike Dutton (Chair), Cllrs: Andy Thomas, Rhonda Treacy-Hales, Maggie Treacy-Hales, Michelle Nutt, Ian McCloskey, and 8 members of the public

Apologies: Cllrs: Jan Matecki (WCC & WDC), Peter Phillips (WDC)

Abbreviations: Please see APM minutes

These are unconfirmed minutes. Confirmed minutes are available on the website shortly after approval at the following meeting.

1. Elections Chairman, Vice Chairman & Council representatives on other bodies

1.1 Chairman - Cllr Dutton – proposed by Cllr Thomas, seconded by Cllr R Treacy-Hales
1.2 Vice Chairman – Cllr Thomas – proposed by Cllr M Treacy-Hales, seconded by Cllr R Treacy-Hales
1.3 Budbrooke Community Centre Committee – Cllr R Treacy-Hales
1.4 Budbrooke Village Hall Committee – Cllr M Treacy-Hales
1.5 Budbrooke Charities – Cllrs Dutton and Thomas
1.6 Emergency Planning Group – Cllr McCloskey
1.7 Policies and Procedures Group – it was agreed that

this was a collective responsibility of all Councillors when considering policies.

2. Policies & Procedures review dates
The following reviews were agreed – **Clerk to action**
2.1 Standing Orders and Financial Regulations – July / August
2.2 Complaints Policy – September
2.3 Requests under Freedom of Information Act and Data Protection Act – October
2.4 Records Management Policy including document retention Schedule – November
2.5 It was noted that the Council's policy is to follow advice from WALC or the relevant organisation, e.g. Information Commissioner's Office
2.6 It was noted that where no review is scheduled, the council reviews a policy as and when new advice or a new model policy is issued by NALC, WALC or as advised by the Clerk. The PC have adopted the National Code of Conduct.

3. Annual Reports 2023 - 2024
The Chair thanked all for their reports that would be published in the next monthly Parish Newsletter
3.1 Chair
3.2 District Councillors
3.3 Community Centre
3.4 Village Hall
3.5 Budbrooke Charities

BPC Chairman's report 2023 - 2024

There is no question that having 3 new clerks in so many years has had an impact on the operation of the Council as a whole. The Clerk is the only employee the Council has with the vital role of managing the decisions the Council makes. We recruited a new Clerk, Brian Ryninks, in February 2024 who has taken up the reins following Ronnie Poole's resignation.
We continue to work to maintain or improve the parish, and where appropriate refer matters to other authorities where necessary. So, I would like to thank our county and district councillors for their support, taking matters up where they can.
Progress on delivering change has been slower than I expected, but improvements have been made to the Community Centre, of which the Council is the custodian trustee and with BCC management Committee ensure it operates well. I would like to thank all of the Management Committee and interested residents for their input and support, please keep it up.
Also, some tree planting has taken place at Montgomery Avenue Play area. All other plans will hopefully start during this Council year.

Mike Dutton

Budbrooke Consolidated Charities.

BPC nominates up to two people as Trustees to the Charities. Beneficiaries are residents in the civic parish.
It has been a quiet year, but the Charities have continued to support residents in need who have contacted us in confidence. We continue to support our younger residents with education and training grants and awards and have updated our rules so that we can also provide support to resident adults who need career change training or education. We will also be providing funds to Budbrooke School for computers and musical instruments.
All individual requests are treated as confidential. It costs nothing to ask. Contact details are in the parish council's newsletter and on its website. I would like to thank our previous clerk who did excellent work on behalf of the Trustees and welcome our new Clerk who I know will also do an excellent job.

Mike Dutton

Warwickshire County Councillor's Annual Report - April 2024

The year was still dominated by the cost of living crisis. The County Council continued to providing advice to families, and supported residents with financial support through various grants and schemes, which were made available through the Household Support Fund. This scheme was going to close at the end of March 2024, but support has now been extended for a further 6 months.

A 'Task and Finish' group set up to look into the inequalities of education throughout the county, continued to look at what drives these inequalities. The group, which I am part of, visited schools within Warwickshire and neighbouring counties that had achieved better than expected results, to further understand how the results were achieved. The group, continuous to meet and a report on its findings will be issued in the very near future.
The County Council secured over £7.5m of BSIP Plus (Bus Service Improvement Plan Plus), funding from the DfT. The BSIP Plus will support, protect and enhance bus services and support new initiatives. The funding will help ensure Warwickshire can take forward some of its BSIP priorities and, coupled with the extension of the government's £2 bus fare cap, will help encourage patronage growth across the bus network.
WCC was also successful in securing £3.3m for Warwickshire through the Local Electric Vehicle Infrastructure (LEVI) fund, to provide hundreds more charging points across the county. This will help to facilitate the switch to low and zero emission vehicles. Potential sites, especially in rural areas and areas will little or no EV infrastructure, were sought from the public and community groups. These sites are now being evaluated, and proposals for new sites are still being accepted.

For 2023/24, WCC's budget for pothole repairs is £1.970m. In addition, WCC will spend approximately £1.75m of capital on small patching works. So far this financial year, 7,890 potholes have been repaired across the county's road network. Warwickshire has a strong reputation for making repairs and are ranked 4th out of 30 peer authorities in the National Highways and Transportation Survey for overall highways maintenance, condition of highway and how quickly we deal with potholes and damaged roads.
WCC Highways have also completed 63 schemes that delivered 21 miles of resurfacing works, a further 64 schemes that delivered 44 miles of surface dressing and 53 schemes that have delivered 10 km of footway reconstruction schemes.

Budgets for all Councils remain a challenge. This years' County budget which includes, 2% for the adult social care levy, has been driven by the rising costs of adult social care which has seen an investment of £28m, children's social care services which has seen an investment of £8m, supporting children and young adults with special educational needs and disabilities, and home to school transport which has just under £9m of investment to ensure the County can continue to deliver high quality transport for over 10,000 children each day.
The new all through school, Oakley School, is still on target to open in September 2024. The year 7 intake that started in September 2023 have spent their first year in Myton School's new 6th form centre, and will move to the new school building this September 2024, along with a new year 7 and reception class intake.

Locally, the trial 'on demand' bus service, IndieGo Plus, which covers villages west of Warwick and replaced the old No.16 bus service, is growing in popularity and was a finalist for 2 awards at the national Citti Awards, which were held in London. It took first prize in the best 'Public Transport Award' category. It is also attracting interest worldwide with a national Academy in the United States, looking at demand responsive transport, contacting me for information on our service. It continues to increase patronage, and this year has exceeded the number of passengers that travelled on the old No 16 service in the last year of its operation. I was pleased to have the service extended to Norton Lindsey which has not had a regular local bus service for many years.

New road safety measures have been introduced locally, with "pedestrians in road" signs being installed on Old Bubrooke Road between Hampton Magna and Hampton-on-the-Hill, and high visibility yellow backed 30mph signs and a "Slow" road marking being introduced on the entrance to Hampton-on-the-Hill from Warwick direction. Early studies seem to show that the traffic entering Hampton-on-the-Hill has reduced in overall average speeds, and has had a reduction of around 25% in the number of motorists exceeding the speed limit.

New bollards were also installed in Hampton-on-the-Hill to prevent drivers parking on parts of the grass verges and churning them up.

Cllr Jan Matecki
May 2024

Budbrooke Community Centre CIO
Summary Report from may 2023 – may 2024

In the last 12 months, Budbrooke Community Association has held fund-raising events including quiz nights and bingo. We took a decision to trial not serving food with a reduced ticket price and inviting guests to bring nibbles. This both saved time for committee members in terms of cooking but also aided in the smoother running of the evening.

Some events were cancelled due to low numbers, including the (previously very popular) barn dance. We recognise that tastes change, and we must adapt our offerings to attract residents, old and new. All suggestions welcome!

The festive activities remain incredibly popular starting with the lantern walk, then families lining our streets to see Father Christmas pulled by a tractor around the village.

We are incredibly fortunate that our regular user groups remain happy with our offering. Turning Pointe Dance has used the centre for 25 years and the pre school ince 1985. We are doing something right! Unlike many community centres, our provision is booked 6 days a week with only capacity for new bookings on Saturday evenings and Sundays. Sundays are very popular for children's parties, and we regularly take bookings outside the village, often turning bookings down as unavailable.

The leaking roof reported at last year's AGM, was replaced in August 2023 along with new lighting and decoration. Thank you to the Parish Council for approving this first stage as part of CIL funding.

Our next phase is to complete the coffee bar during the summer holidays 2024 including the toilet reconfiguration.

The committee works hard to maintain the building and manage the users. We thank the Parish Council for your ongoing support, to the committee officers and members, and to all who come along our events.

Cllr. Rhonda Treacy-Hales
PC Representative and Committee Chairperson

Village Hall Report for AGM 8th May 2024

The Village Hall is running at almost capacity during the week with regular user groups. However, the events side of the hall still hasn't picked up.

We will be having our 2024 AGM on the Friday 31st May at 7.30pm. All are welcome.
We are keen to develop the events calendar and plan to re start our monthly film nights and hope to hold a monthly afternoon tea. Dates will be advertised in the parish news.

The issue of the lease is ongoing. The aim of the committee continues to be to fund raise with events with a goal of buying the freehold at the end of the lease, if that is an option offered to us.

The committee remains the same in numbers. Maurice Wright has stepped downas Treasurer and we are actively looking for a new Treasurer. We thank Maurice for his work during his tenure and wish him well.

Maggie Treacy-Hales

NOTICE of a PUBLIC MEETING of the Budbrooke Parish Council (BPC) NEW HATTON COMMUNITY DEVELOPMENT

A Public Meeting will be held at 20h00 on Wednesday 10 July 2024 at the Budbrooke Community Centre. Field Barn Road, Hampton Magna CV35 8RT
Whilst this community is not in the Budbrooke Parish, the eastern edge of the proposed site is on the western boundary of the Budbrooke Parish and concerns current plans for a new community on land east of Hatton Station. The objective of the meeting will be to hear about the current proposals from the developers, Turley who will make a presentation to the meeting, so that Budbrooke residents are better informed about them.

BUDBROOKE PARISH COUNCIL
MINUTES OF MEETING
Wednesday 8 May 2024 at 20h00
that followed the APM and the AGM
in Budbrooke Community Centre

Present: Cllr Mike Dutton (Chair), Cllrs: Andy Thomas, Rhonda Treacy-Hales, Maggie Treacy-Hales, Michelle Nutt, Ian McCloskey, and 8 members of the public

Apologies: Cllrs: Jan Matecki (WCC & WDC), Peter Phillips (WDC)

Abbreviations: Please see APM minutes

These are unconfirmed minutes. Confirmed minutes are available on the website shortly after the following meeting.

1. Public Participation

1.1 A resident raised concerns relating to land adjacent to a bungalow alongside land that belongs to the PC at the Montgomery Avenue play area. There was a problem following the heat wave last year whereby two trees had died, resulting in water pooling during the storms in January close to the fence, and again in March. The resident believed that this had created problems with heave on the concrete of the property. The resident believed that where trees die, there is a need to plant new trees but this had not been done, and so it was requested that this matter be looked at please. The resident suggested possibly planting vegetation to soak up the moisture. Efforts by the residents to soak up the water by raising a bed had failed when the bed caved in from the water. The resident referred to a tree surgeon who believed that it was only a matter of time before any wall would fall. Buckets had been used to mitigate the problem that needed to be looked into please.
The Chair added that there had been talk of planting willows but that there was a water main in the area and so there was a need to check what the correct plants/trees might be. Cllr M Treacy-Hales mentioned a possible rose bed in the water area but this area may have to be tanked and that Amy Bambridge at the Heart of England Forest should be consulted first. **Clerk to action**

1.2 The same resident also referred to self-seeding by two cherry ash trees that needed attention and the Chair confirmed that this was on the maintenance plan to redo work performed pre Covid, beyond the current lawn cutting, that also included cutting the brambles. **Clerk to action**

2. Register, Apologies & Declaration of Interest & Dispensations
The register was signed by all present. There were no Dispensations or Declarations of interest

3. Approve previous minutes
3.1 The Minutes from the Parish Council Meeting of 3 April 2024 were approved **Clerk to file**

4. Matters Arising
4.1 Red phone box – Hampton on the Hill
Cllr R Treacy-Hales confirmed that a deposit had been paid, awaiting a date to collect the phone box that would be removed by a crane onto a lorry. Preparation for such included making sure that it is free from the concrete and this was being attended to**. Cllr R Treacy-Hales would check** if any traffic management was required and consider if / how to notify local residents. The work required around ten weeks to complete the refurbishment.
4.2 Seat for zip wire in play area at Styles Close
Cllr Nutt confirmed that this was being clarified with Martin Davies. This matter was discussed again at 8.4 below.
4.3 Allotments Update
It was confirmed that the PC was still awaiting a reply from Bellway to an enquiry about the transfer of the land to the PC.
A resident reported that rather than soil, red clay was being used rather than topsoil whilst Cllr McCloskey thought that there was still a pile of stones on the area.
The clerk reported a very good response for indications of interest with a number wanting to be on an allotment committee.
4.4 Matters that Councillors wish to clarify / discuss from the PC Action List
The clerk noted that the list contained numerous items that had been actioned/completed and so were shown as “to close” – these were confirmed

5. Community Infrastructure Levy (CiL) Projects Update
5.1 Outdoor fitness space and Children’s Play areas – discussed earlier in the APM
5.2 Community Centre – discussed earlier in the APM
5.3 Quotes for CC work to be completed over the summer holiday period.
Cllr R Treacy-Hales reported that it will be cheaper to engage quotes for individual trades to complete elements of the work, rather than one company to do it all. The latter has so far shown to be more expensive. To finish the room in the CC where this meeting was being held would total around £30k, excluding VAT. It was agreed that the PC use different

trades and manage the work itself. **Cllr R Treacy-Hales to circulate** the cost details.

6. Planning

6.1 Planning applications to report/consider - nil

7. Correspondence

It was noted that correspondence had been received on the following matters that were discussed above under item 4

7.1 Red telephone box – Hampton on the Hill

7.2 Seat for zip wire in play area at Styles Close

7.3 Bellway Homes Allotment

8. Parish Maintenance/Playgrounds

8.1 Review of maintenance work

Cllr McCloskey enquired about the flooding on Old Budbrooke Road that the Clerk confirmed was now back with him and was in progress. **Clerk to action**

Other work was being performed and invoices for such would be approved and paid under 11.1 below.

8.2 Playground report March 2024 – noted.

8.3 Playground report April 2024 – noted.

8.4 Cllr R Treacy-Hales enquired about the baby swing at Styles Close playground and the cost of repairs. Cllr Nutt reported that this related to the basket and chains of the swing that was being investigated in conjunction with the zip wire seat per 4.2 above. Cllr Nutt believed that the on line store products, rather than original products, were tested to standard and so should also be fine to use. It was agreed that the clerk should liaise with Martin Davies on this point as he would be the one to fit the replacement parts. **Clerk to liaise** with him, securing quotes that would be approved by email rather than awaiting the next PC meeting.

9. Community Centre / Village Hall items

9.1 Quiz night at the CC on Saturday 18 May

9.2 CC AGM on 31 May

10. Newsletter / Website / Facebook

10.1 Cllr Thomas suggested that the removal of the Avon Valley bowls from the diary in the Parish Diary in the Newsletter. This was confirmed and so **Clerk to action**.

10.2 Cllr McCloskey reported that he had created a possible new website to recreate what we currently have. Cllr R Treacy-Hales wondered about the domain name ownership that the Clerk confirmed that this was in the name of the PC. It was agreed to review this draft mock up. **Cllr McCloskey to distribute**

11. Finance

11.1 Approval of payments - The payments on the list provided to councillors in advance of the meeting were approved and cheques were signed for these.

Cllr M Treacy-Hales had queried the need to do a snagging review on the work relating to the Tasker invoice and Cllr R Treacy-Hales confirmed that the work concerned only related to the roof and so it was agreed to release the final retention payment.

The Clerk noted that the payment of the telephone box deposit signed since the last meeting had been added to the list for completeness.

Cllr McCloskey departed having apologised before the meeting for needing to depart before the end of the meeting.

11.2 Update on banking issues

11.2.1 The Chair reported that the PC had a new post box outside the CC and that both this and the CC box had nameplates to distinguish each. The Clerk was amending the PC addresses to such.

11.2.2 The Chair confirmed that he had received a debit card today.

11.2.3 Whereas the last meeting agreed that all councillors would be signatories, it was agreed that the Clerk would also be included as a signatory. **Chair to action**

11.3 Annual Insurance Renewal – renewal 1 June

In response to a suggestion that an alternate quote be deferred to next year, Cllr Thomas clarified that his suggestion was to seek a reduced premium for agreement to renew for three years. **Clerk to action**

11.4 End of year accounts, annual audit, Annual Governance & Accountability Return (AGAR) – it was noted that these will be presented to the next meeting. **Clerk to action**

12. Any Other Business

12.1 Invitations to present at council meetings

12.1.1 Hatton Development – The Chair confirmed that the communications team of the development had presented to the Hatton and the Shrewley PC's along with residents in the latter. The Chair noted the 4.500 houses to be built over around 25 years and suggested a public parish meeting so that all residents were informed. This meeting, separate to the monthly Parish Council meeting was agreed. **Clerk to action**

12.1.2 Friends of Warwick Parkway – A 10 minute presentation to the PC after the public participation section was agreed. **Clerk to action**

12.2 The Budbrooke litter group the Wombles who collect on Sundays around Hampton Magna were thanked for all their work, dedication and commitment. This will be included in the July Newsletter.**Clerk to action**

13. Next Meeting - The next meeting will be held on Wednesday 5 June 2024 at 20h00 in the Budbrooke Community Centre.

The meeting ended at 21h25

Budbrooke RVS Club for the over 60's

The club meet regularly on the 3rd Wednesday of each month in the Village Hall, Hampton-on-the-Hill 10.30am – 12noon. There is a raffle and table sale at each meeting.

Future meetings are:

Wednesday 15th May: Talk on Bees/Honey with Alan and AGM
Wednesday 19th June: Pest control talk with Darren
Wednesday 17th July: Bingo

New members, both men and women, are very welcome. Just drop in.

BUDBROOKE WOMEN'S INSTITUTE

This month has been especially busy, with our Annual Meeting on May 5th. This year's Resolution in support of improvement in Dental Service availability was well supported. The Wren Hall teas proved financially successful and plans were made to repeat this again.

Two large bags of tiny jackets, hats and blankets, knitted by members, were delivered to the Special Care Baby Unit at Warwick Hospital. The Open meeting, on May 15th , was very well supported, when Alex Harvey gave a well illustrated talk, showing Warwick both above and below ground, using modern technology.

All were most impressed by the 3 D models and the ability to show 3D features to all, even when largely inaccessible. In contrast, at our next usual meeting on June 12th, the speaker,

Charlie Beaty's talk is entitled ' From farm to fork, my farming life. 'New members will be welcome to join us at 7.30pm at the Church Hall.

We help you to effectively organise your finances and investments.

To create and protect your wealth, it is important, that you know your financial milestones and have a flexible financial plan that reflects where you are now and where you want to be in the future.

Budbrooke residents, for more information on how we can help you plan for a secure financial future, please contact:

THANK YOU

A very big thank you to all the volunteers who kindly maintain the flowers at the Barrack Wall garden and parish flower bed at the corner of Blandford Way and Old Budbrooke Road.

This wonderful display provides a great welcome to the parish as well as shows the respect of the parish for the sacrifices made that are recognised in the garden and memorial.

OUR EVENTS

MONDAYS

Coffee morning for parents of babies and toddlers

A space to connect with others who understand the joys and challenges of parenthood.

Memory Lane

Memory Lane is a safe environment for dementia patients and caregivers, promoting cognitive well-being and connection through activities.

Afternoon tea

Come & enjoy an afternoon tea with us! The perfect opportunity to meet others

TUESDAY & THURSDAY

Chatty Cafe

A space created to open up opportunity to socialise and get to know others.

Breakfast with Entrust

Join us and Entrust Care Partnership for a breakfast where you can make a meaningful difference while enjoying a delicious meal and coffee.

Spin a Yarn

The 'knit & natter' group is a friendly and inclusive group open to all ages and skill levels. Bring your own knitting projects or simply join for a chat.

WEDNESDAYS

Ramblers Walks

Join a nature walk and the company of fellow walkers at 11:00am for a 90-minute walk, 11:30am for a 60-minute walk, or 12:00pm for a 30-minute walk.

Budbrooke Singers

A friendly and welcoming group of singers for all levels of ability. Free of charge, just show up!

FRIDAYS

Menopause Support

A space to share experiences as well as gaining useful information from nurse Sally & guest speakers.

Fun Fit Friday

This chair-based fitness class aims to enhance balance and overall health, catering to fitness enthusiasts of all levels.

Fun Toast Friday

Parents and children are invited to a breakfast event to spend quality time together and enjoy toast with a variety of toppings.

SATURDAYS

Lego Club

We are a friendly group meeting to create, chat and build. Come & join us! £5 per builder (supervising adults are free).

Men's Breakfast

Come together for a hot breakfast and community on a Saturday morning for only £5 per person.

SUNDAYS

Community Church

We are a small group meeting from St Michael's Church. Everyone is welcome!
