NALC – National Association of Local Councils	WRCC – Warwickshire Rural Community Council
NP - Neighbourhood Plan	WRWCF – Warwick Rural West Community Forum
NW - Neighbourhood Watch/ PC – Parish Council	BBVH - Budbrooke Village Hall
BBCC - Budbrooke Community Centre	CIL - Community Infrastructure Levy
DPI—Disclosable Pecuniary Interests	FB - Facebook

These are unconfirmed minutes. Confirmed minutes are available on the website shortly after the following meeting.

Present: Cllr Mike Dutton (Chair), Cllrs: Andy Thomas, Ian McCloskey, Rhonda Treacy-Hales, Jan Matecki (WCC & WDC), Peter Phillips (WDC) and 2 members of the public

Apologies: Cllrs: Maggie Treacy-Hales, Michelle Nutt,

These are unconfirmed minutes. Confirmed minutes are available on the website shortly after approval at the following meeting.

1. Public Participation

1.1 A member of the public believed that the Indiego bus service bookings had not been available just prior to Easter. Cllr Matecki wondered if this was due to the booking service being switched off to prevent residents trying to book the bus over the Easter weekend. It appeared as if the booking service had resumed after the Easter weekend.

1.2 Overhanging hedges – A potentially dangerous overhanging hedge was reported by a member of the public that will be investigated **by the clerk**.

2. Register, Apologies & Declaration of Interest & Dispensations
The register was signed by all present. There were no Dispensations but Cllrs R Treacy-Hales and M Treacy-Hales had declared an interest in the planning application at 6.1.1, Cllr Nutt had declared an interest in the application at 4.2

3. Approve previous minutes
3.1 The Minutes from the Parish Council Meeting of 6 March 2024 were approved **Clerk to file**

4. Matters Arising
4.1 Open Door Café - Application for grant funding – see 12.2 below
4.2 Central Ajax Football Club – Application for grant funding
A grant of £500 had been approved by email and the meeting formally confirmed approval of this grant.
4.3 HotH Traffic Monitoring - Cllr Matecki was thanked for providing the data that showed that there was perhaps less speeding through the village than feared. A monitor had not been placed at the allotments with some residents believing that the yellow backing on the speed signs upon entry into the village were not working. Whilst the volume of traffic had increased, a small average excess speeding was seen in 1 of 2 vehicles. However, once in the village, i.e. at Grove Park, the average speed was in fact 25 mph. As a result, it had been assessed that the existing restrictions were slowing the traffic speeds and so there was no need to take further action at this stage.
4.4 Correspondence Address of BPC - It was agreed that the postal address would officially be Budbrooke Parish Council c/o Budbrooke Community Centre, Field Barn Road, Hampton Magna CV35 8RT. A mailbox was being installed on the wall of the BCC. **Clerk to action** amending all correspondence addresses over time to remove the difficulty of correspondence going to the homes of previous clerks. In the meantime, the **Chair would** amend the address at the bank.
4.5 Cllr McCloskey mentioned the flooding on the approach to the station on Old Budbrooke Road. The clerk had investigated recently and believed that an additional drain may assist and Cllr Matecki offered to receive more details, including pictures offered

by Cllr R Treacy-Hales. **Clerk and Cllr R Treacy-Hales to action**
4.6 Soft verge sign on road off Montgomery Close? After discussion, it was agreed that this might be better served if residents on this road, who were rightly concerned about the edges were consulted to request that drivers stay on the tarmac. The tarmac was however in need of attention and so the **Clerk would** investigate a surface repair cost.
4.7 Matters that Councillors wish to clarify / discuss from the PC Action List
The clerk noted that the list contained numerous items that had been actioned/completed and so were shown as "to close". These would however be left on the May list before deletion.

5. Community Infrastructure Levy (CiL) Projects Update
5.1 Outdoor fitness space and Children's Play areas – nil to report
5.2 Community Centre – Cllr R Treacy-Hales reported that little had happened recently other than seeking three quotes to complete the room where this meeting was being held. The toilet configuration was being looked at with the view to any work being completed during the summer holiday. **Cllr R Treacy-Hales would provide** quotes to the next meeting for approval.
5.3 It was agreed that the council would ask for feedback at the upcoming APM and **Cllr Nutt** was asked **to consider** such. **Clerk to** add to APM agenda.

6. Planning
6.1 Planning applications to report/consider.
6.1.1 W/24/0271 - Erection of single storey side extension. | 2 Blandford Way, Hampton Magna - No objections raised.
6.1.2 W/23/0577 Partial redevelopment of existing petrol filling station, including the demolition of the existing sales building; erection of new sales building; provision of Electric Vehicle Charging hub and associated infrastructure; provision of car parking spaces and associated works. Petrol Filling Station, 383 Birmingham Road, Budbrooke, Warwick, CV35 7DZ – No objections raised though Cllr McCloskey queried the reduced number of electric points and the removal of the roof over these. It was agreed that there was no need for a response from the council thereon
6.1.3 W/24/0375 Erection of first floor rear extension (retrospective

application). Address: 13 Damson Road, Hampton Magna, Budbrooke, Warwick, CV35 8TH - No objections raised.
6.2 Planning survey
Cllr Thomas had suggested that this survey was addressed to individuals and not councils and so it was agreed not to submit a response from the council.

7. Correspondence
7.1 Red telephone box – Hampton on the Hill
Cllr R Treacy-Hales reported that she had contacted a company in Lincolnshire that would take the telephone box away and sandblast it at a cost of £3,835 that would include the black notice board. A deposit was required whereafter it would be collected within 2 weeks with an estimated completion time of 10 weeks. There would be an additional cost of £275 if the door was found to be rotten. This spend was approved and **Cllr R Treacy-Hales was** requested to confirm the order. It was clarified that of an earlier grant of £1,500. £1,200 had already been used for materials previously acquired that this contractor would now use. The materials used and then the materials not used that would be taken into their stock, would reduce the total bill accordingly.
7.2 Fly-tipping, Hampton Road, Hampton on the Hill - Thanks were expressed to a HotH resident for their assistance to notify the landowner that had resulted in the clearance of the offending items.
7.3 Bellway Homes Allotment
It was noted that the land had been flattened ready for use, but was awaiting a dry out before the soil was spread.
Cllr Dutton had written to Bellway to enquire on the status of the handover. In response to a question as to whether there is a water supply, the **clerk** was asked **to clarify**. **Cllr McCloskey offered to pass** on paperwork from the Allotment Society to use, noting that in his experience, the cost of water was paid out of allotment fees. He added that users could also instal gutters on their sheds to save water.
The clerk reported 8 indications of interest from the March newsletter appeal.
7.4 Seat for zip wire in play area at Styles Close - The **clerk would** follow up with Cllr Nutt.
7.5 Woodway Ave - The clerk noted a suggestion from a resident that having seen repair work to some roads (e.g. Arras Boulevard)

by a developer, the same should apply to damage at another location. The **clerk would** clarify the locations that were believed to also be in Cherry Lane and would refer the matter to Cllr Matecki.

8. Parish Maintenance/Playgrounds

8.1 Review of outstanding maintenance work

8.1.1 It was noted that directional warning signs had been restored at the beginning of Old Budbrooke Road after exiting from Hampton on the Hill. Cllr Thomas expressed concern that there used to be a sign going the other way i.e. when turning left out of Old Budbrooke Road where it becomes Hampton Road at the junction with The Woodway. **Clerk to** investigate. It was noted that there was a sharp corner ahead warning sign that advises 40 mph.

9. Community Centre / Village Hall items

9.1 There would be a quiz in the Community Centre on 18 May 2024.

9.2 Thanks were expressed to the Balfour Beatty team who responded immediately recently to the repair of a nasty pothole outside the entrance to the Community Centre. This was much appreciated.

10. Newsletter / Website / Facebook

10.1 Dedicated / separate PC meeting feedback

There was much discussion as to what needed to be done and how to amend the website to bring it up to an acceptable standard considering the limited volunteer time available, bearing in mind the desire to improve the facilities on the website and to integrate some aspects of newsletter production and administration.

Cllr R Treacy-Hales asked if the website was not legal as if it was not legal, it should be rectified as soon as possible. Cllr McCloskey indicated that the website did not provide disabled access and confirmed that there was no bolt on software to make it compliant. There was recognition of the frustration of Cllrs McCloskey and Nutt given all the work that they had put into this project so far, but also at the amount of work required going forward. Cllr McCloskey was confident that the full set of improvements could be delivered in a very short period of time. Cllr Dutton recognised that council needed to take some steps now but cautioned that improvements

would not be quick steps. However, the council was committed to delivering improvements in a planned way recognising that there may be additional costs.
10.2 Newsletter Advertisement Invoicing - It was agreed to back date charges from 1/4/23. **Clerk to action**

11. Finance
11.1 Approval of payments - The payments on the list provided to councillors in advance of the meeting was approved and cheques were signed for these.
11.2 Update on banking issues
11.2.1 Address – see 4.4 above
11.2.2 4th cheque signatory? It was agreed that all councillors would become signatories. **Cllr Dutton to action**
11.2.3 Approval of application for a debit card - An application for a debit card to assist with payments was approved **Cllr Dutton to action**
11.3 Appointment of Internal Auditor - The clerk reported that Mr Kenneth Dunn had kindly agreed to continue as the Internal Auditor of the council for the year to 31 March 2024.
11.4 Budget 2024/5
The clerk had provided financial estimates of transactions for 2023/4 along with other financial details. He said that suggestions were welcomed on the format of the details shown.
These details formed the basis for a draft / version 2 budget that was also provided to councillors. He apologised for the late distribution thereof following work in March to familiarise himself with details of financial transactions in 2023/4. Version 3 would follow after the 2023/4 details had been finalised.

12. Any Other Business
12.1 Annual Parish Meeting / AGM
12.1.1 In addition to notices that were needed, ideas for the playgrounds would be sought as noted in 5.3 above **Clerk to action** APM / AGM agendas in liaison with Cllr Dutton.
Councillors were requested to email the clerk with any other suggestions for the APM meeting.
12.1.2 Council Committees
It was noted that there are no committees at present but rather portfolio responsibilities.

12.1.3 Reports to be requested included those from the BPC Chair, District Councillors, Community Centre, Village Hall and then Budbrooke Charities

12.2 Open Door Café - Application for grant funding

Feedback had been received that a detailed breakdown of costs was not provided and in response it was asked what detail had been requested, and how deep will council drill down, perhaps not down e.g. to the level of electricity use on each project in the application, So long as an application showed that the overall goal would be achieved then detailed costs might not be required though this view was challenged as some grant applications did need very detailed costings.

It was thought that the total amount applied for was perhaps a little high, particularly compared to the amount granted to Central Ajax Football club at 4.2 below and perhaps the policy should have maxima? **Clerk to** arrange a review of the current policy.

The church operates the Open Door as it is their initiative but there was support for the application and perhaps the church might be asked to clarify to the council how it can help the Open Door.

In response to a question whether the council can afford grants and does it have a budget for charities, the clerk referred to the draft budget that had a proposed allocation for grants, It was felt that the council needs to consider each application on a case by case basis and not necessarily be constrained by a budget.

Perhaps the council should not give grants at all whilst council needed to beware of repeat requests.

Council approved a grant of £2,500 with a request to be made for this significant support to be publicised by the Open Door.

13. Next Meeting - The next meeting will be held on Wednesday 8 May 2024 at 20h00 in the Budbrooke Community Centre. Cllr Phillips gave an apology for this meeting.

The meeting ended at 22h00

NOTICE of the ANNUAL PARISH MEETING (APM) & ANNUAL GENERAL MEETING (AGM) of the Budbrooke Parish Council (BPC)

The Annual Parish Meeting and Annual General Meeting will be held at 20h00 on Wednesday 8 May 2024 at the Budbrooke Community Centre. Field Barn Road, Hampton Magna CV35 8RT

Matters to be considered at the APM will include current plans, that will be available to view, for the Budbrooke Community Centre, Childrens Play Areas at Styles Close and Montgomery Avenue and an outdoor gym at Styles Close

Matters to be considered at the AGM will include the various Annual Reports, and election of BPC council members on the various local committees e.g. Budbrooke Community Centre, Village Hall, Budbrooke Charities

REWILDING NOTICE

The Parish Council has partnered with Warwickshire Wildlife Trust that will see residents being given the opportunity to volunteer to participate in a rewilding exercise on 18 and 19 September 2024.

Seeds will be provided along with guidance from the WWT on how best to sow the seeds.

Further details will be provided nearer these dates such as time and location(s) but you may wish to put these dates into your diary and or indicate your interest by emailing the Parish Clerk at Budbrookepc@gmail.com.

We can help manage your money and map out your financial future, whatever your life's ambitions.

We specialise in wealth protection and preservation, goal-based financial planning and estate planning.

Budbrooke residents, for more information on how we can help you to plan for a secure financial future, please contact:
